## What is the dental accident and emergency insurance benefit?

Our dental plan is not an insurance scheme, but we have included first class insurance cover underwritten by Hiscox, one of the UK's leading insurers, to pay for the cost of treatment if you damage your teeth as a result of an accident or need a dentist in an emergency outside of normal surgery hours or whilst away from home. The insurance covers you anywhere in the world for:

- Accidental damage to your teeth as a result of a fall or blow
- Emergency treatment when away from home or outside normal surgery hours
- Cover for implants

For full terms and conditions please refer to the Supplementary Dental Accident & Emergency Insurance Policy.
